- 1. Go to **redbuttegarden.org/concerts** and select your preferred show to be redirected to the Red Butte Garden Etix concert series page. Once on Etix, depending on website traffic, you may be met with a few different screens during the ticket buying process.
 - The first is the **Waiting Room** and then the **Line Queue**. This is where you'll be held in line until it is your turn to purchase tickets. Do not refresh your browser or open multiple browsers. If you do, the system will restart and place you at the end of the line. Once it's your turn to buy tickets, the system will bring you to the purchase page.

To ensure a fair and timely purchase process for everyone, buyers can add tickets to their cart a limited number of times. Once this limit is reached, buyers may purchase the tickets in their cart. In order to change or add tickets at this point, buyers will wait in line again.

Proceed to Purchase

2. On Etix, Members & Public select your ticket quantity then click the green 'Add Tickets' button.

Once on the purchase page, you may also be met with a reCAPTCHA popup puzzle.

This is designed to help prevent bots from getting tickets, and instead get them into the hands of real humans.

3. Members: After selecting ticket quantity, you will be prompted to enter a promo code which is the email address associated with your membership.

Type it in, all lower case, no extra spaces. Do not copy and paste.

ticket.buyer@g		

Once the email has been entered, click the green 'Submit' button to go to the Etix shopping cart.

IMPORTANT: If the incorrect email address was entered or if the ticket quantity chosen exceeds your membership level, you will be prompted to re-enter the correct email address and/or ticket quantity. You will not be able to sign in if your membership has expired.
