NHMU/RBG Chaperone Ratio	
We have found a chaperone ratio of 1 adult for every 5 students to be optimal for students, chaperones, and teachers to have the best field trip experience.	
This ratio does not include teachers or student aides.

Number of Other Adult Chaperones:*	<input type="text"/>

Red Butte Garden Investigation	
The Red Butte Garden portion of your partner field trips includes a SEEd Standard supported Field Investigation.	
We have grade specific recommendations for investigations. Chaperones lead groups to Garden Educators to participate in activities. Click here to review descriptions for each Field Investigation. Kindergarten or 7 th – 12 th grade groups will have a DIY Field Trip at Red Butte Garden, click here to learn more .	
For the RBG portion of the Field Trip, I'd like our one investigation to be:*	<input type="text"/>

Transportation

Arrival Method:*

NHMu/RBG Field Trip Parking

All Partnership Field Trips start at the NHMu roundabout.

If chaperones are arriving by personal vehicles we strongly encourage carpooling as parking is limited at both locations.

Lunch

A time slot in the NHMu lunchroom will be chosen for your group upon confirmation of your field trip request. All lunch time slots are **20 minutes**.

Outdoor Field Trip Notice

I acknowledge that Red Butte Garden is an outdoor environment, and all field trips take place outdoors. The Garden is a home for many wild animals, including rattlesnakes - teachers and chaperones are expected to stay with students and keep them away from animals.

Red Butte Garden reserves the right to cancel the Garden portion of a field trip due to unsafe weather or air quality conditions.

Supervision Agreement

Students are under the care of their teachers and chaperones while on a field trip.

Teachers and chaperones must be on site and actively monitoring/assisting students for the entire field trip.
