

Geometric Leaf Mosaics

Ready to create an artistic masterpiece? Print out the geometric leaf mosaics on page 2 and color away. There are no rules on how to color each leaf, but the general idea is to color the shapes on each leaf a different color (see examples belows). You can pick colors found in nature or let your imagination run wild. Don't forget to share your creation with us on social media using #redbuttegarden. Have fun!

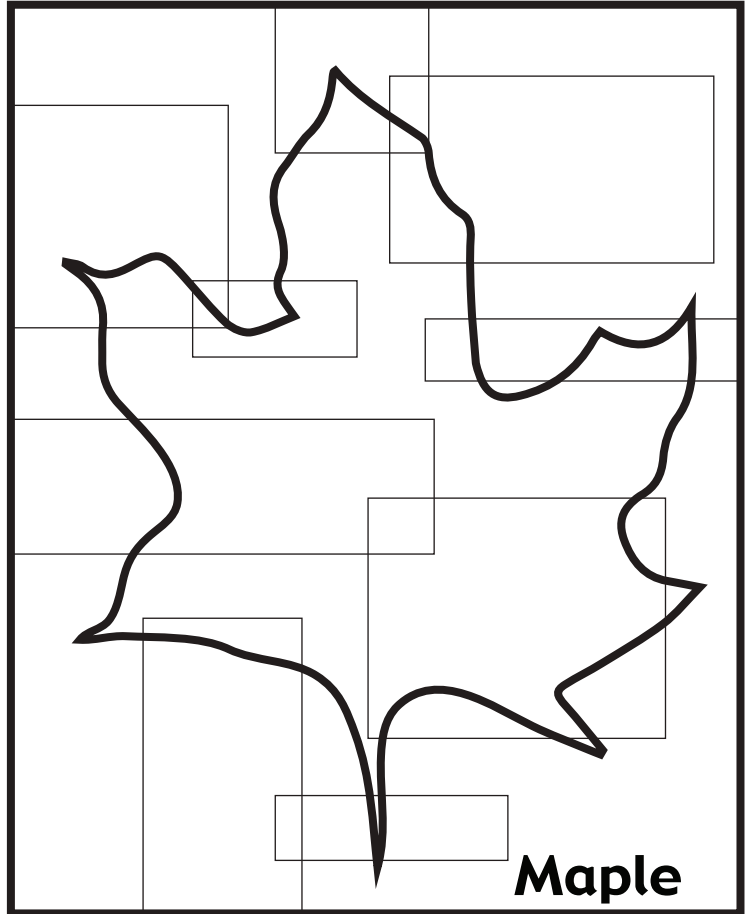

Examples

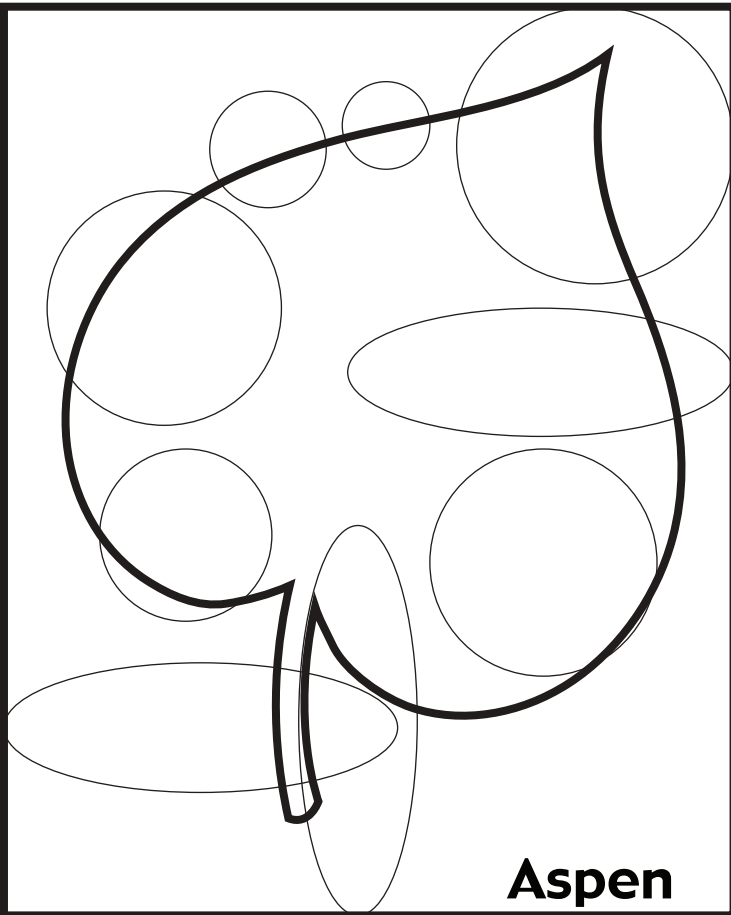

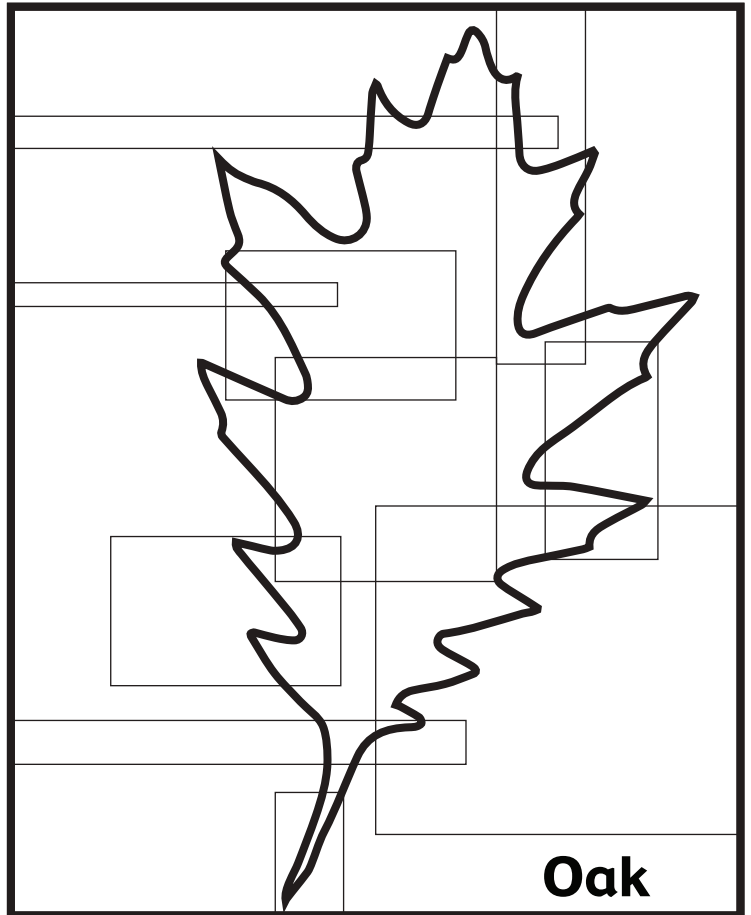

Oak

Maple

Aspen

Oak
